**Annual Meeting**

**You are invited** to the 53rd Annual Meeting of the League of Women Voters of Washington County. We will meet at 6:00 pm in the Activity Room of the First Presbyterian Church on Thursday, May 18th. Members are asked to bring a dish of their choice to share. Plates, silverware and drinks will be furnished.

Our speaker will be Secretary of State Charlie Daniels. He will speak about the new voting machines and HAVA (Help America Vote Act) requirements. We'll take care of business as expeditiously as possible and enjoy an evening of good food, fellowship and learning the latest in voting procedures.

**Demonstrating Voting Machines**

County Clerk Karen Pritchard has requested that LWVWC members demonstrate the new voting machines during the early voting period for the primary election on May 23rd. She thought the best times would be 10 am to 4 pm the week prior to the primary, May 15th to 19th. This activity is so basic to the mission of the League that the board voted to do this, so –if you have a few hours to spare during the week of May 15-19, please call Steve Neuse at 442-3018 to reserve a time slot. The paper bubble ballots will still be used during the election along with the new voting machines so people can choose their method of voting.

**May Trail Walk**

The LWVWC is planning another trail walk in Gulley Park, Saturday morning, May 6th. Meet in the parking lot off of Township at 9:00 am. To date we have explored the Frisco, Mt. Sequoyah Woods, and Walker Park trails as well as trails along Mud Creek, Lake Fayetteville and Lake Wilson. This is a fun, leisurely way to see how Fayetteville's trail system is developing.
